

AGRICULTURE RELATIONS COMMITTEE

TEACHER RESOURCE GRANT INFORMATION

The Brookings Chamber Ag Relations Committee serves the Brookings area through the communication, promotion and appreciation of the ag industry. The committee would like to offer a resource grant to high school agriculture teachers. The resource grant of up to \$500 shall be used to purchase resources for agricultural education appropriate for use in high school agriculture classes.

Eligible School Districts

Arlington	Deubrook	Madison
Brookings	Deuel	Rutland
Chester	Elkton	Sioux Valley
Colman-Egan	Flandreau	
DeSmet	Lake Preston	

Grant applications will be considered by the Brookings Chamber Agriculture Relations Committee at their discretion with one grant awarded per year.

To apply for the Teacher Resource Grant, email the completed application to Brookings Chamber by September 15, 2024. Grant recipient will be announced within 30 days of the application deadline.

The grant will be disbursed on a reimbursement basis – receipts can be sent to info@brookingschamber.org. Grant proceeds will be issued to School District or school's FFA program.

The grant recipient will be recognized at the annual Ag Appreciation Banquet to be held in Brookings, Dacotah Bank Center, December 3rd, 2024.

For more information please contact the Brookings Area Chamber of Commerce.

AGRICULTURE RELATIONS COMMITTEE

AG TEACHER RESOURCE GRANT APPLICATION

SECTION 1. APPLICANT INFORMATION

Teacher Name:

Phone Number:

Email Address:

School District:

School Address:

Title/Name of desired resource:

Total cost of desired resource:

SECTION 2. APPLICANT NARRATIVE

Please provide 1-2 paragraph responses for the following. Use additional sheets if needed.

1. Describe desired resource you wish to obtain with the grant proceeds and provide details as to the topics related for the resource i.e.: ag mechanics, livestock production or evaluation, farm business management etc.

2. Describe the action plan for implementing the resource. How many students do you expect will benefit from the resource in a school year? How many years do you expect to be able to use the resource?
