

MILITARY AFFAIRS BANNER PROGRAM

Honoring our brave men and women of the U.S. Armed Forces

Help us salute the brave men and women of the U.S. Armed Forces with the new Military Banner Program. With banners set to line 6th Street, the Military Affairs Committee of the Brookings Area Chamber of Commerce is seeking nominations to spotlight individuals who have served and/or are serving in all arms of the US Military. Each banner will showcase one individual's photo, their name, and branch, for nearly three months of the year, over Veterans day. After those three months, the sponsor has the option to keep the banner or leave it with the committee to be included again next year.

To request a banner, please submit this form along with a high resolution photo to the Brookings Area Chamber of Commerce by July 31.

To qualify as an honoree, the individual must meet the following requirements:

- Currently serving, active duty, or past Military service
- Current or former resident of Brookings County

*Maximum of 1 banner per honoree. If another party has requested a banner for your honoree, you will be notified by the Chamber of Commerce.
